Bhrynn Evren is a pawn in a game played by gods.

After coming home to find her parents murdered, Bhrynn is abruptly kidnapped and thrown into the world of Eldaterra, into the midst of a war between gods where she is somehow an important player. Finding herself faced with strange magic, demons, and a god that wants her dead, she realizes that, if she wants to survive, she's going to have to learn how to control the abilities she's discovering within herself, and come to terms with the reality of who she is and what she is becoming. If she wants revenge for her parents' murder, however, she'll have to do something much harder:

She'll have to kill a god.
