In His Sights Kate Brennan

What if the man you'd loved for years transformed into a ruthless and relentless tormentor, stealing your freedom, threatening your sanity and your safety?

This is not a fictional scenario. It is Kate Brennan's life.

A well-respected writer and scholar, Kate was wary of getting involved when she met Paul, a wealthy, charismatic businessman with a great deal of free time, but his charm and determination eventually won her over. Once they moved in together, however, Kate discovered the sordid secrets lurking beneath the Mr. Right facade: the serial infidelities, the unbalanced psyche. When she ended their relationship, Paul dedicated himself to stalking her—using his limitless resources to track her movements, interfering with her work, arranging for people to break into her home—in a campaign of cruel harassment that has been Kate's unending nightmare for more than a decade . . . and which continues to this day.

A shocking and visceral memoir that lays bare the twisted mind of a stalker, *In His Sights* is a gripping tale of one woman's descent into the dark side of love and her ongoing struggle to free herself.
