The deadpan cartoon adventures of an expressionless, wordless, trouserless man, whose presence seems to go unnoticed.

Enter the extraordinarily ordinary world of a half-dressed man.

In the world of ROGER, silence speaks volumes, whether in the workplace, at leisure, or on his travels.

In this debut collection of captionless cartoons, we share in the mundane, deadpan adventures of an expressionless, wordless, harmless man, whose full-on, half-dressed presence only we seem to notice.

Tied to the workplace, but freed from the shackles of his lower garments, ROGER continues to go about his business in his own unassuming and bemused fashion.

Who is he? What is he thinking? Where are his trousers? These are all questions to which perhaps only ROGER has the answer, but for now he's content to hold his peace.

This textless, trouserless book opens a window on to ROGER's life at work and promises to stand out from the crowd. As ROGER might say, if only he spoke – bring it up, bring it on, bring it out...

#### **Carl Melton:**

Are you kind of busy person, only have 10 as well as 15 minute in your moment to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are having problem with the book compared to can satisfy your short time to read it because this time you only find e-book that need more time to be study. Roger (Roger series) can be your answer given it can be read by you actually who have those short free time problems.

#### **Colin Rousey:**

Is it you who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something new? This Roger (Roger series) can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

#### **John Flores:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Roger (Roger series) can make you feel more interested to read.
