The Way to Buddhahood: Instructions from a Modern Chinese Master Yin-shun

The Way to Buddhahood is a compendium of two thousand years of Chinese practice in assimilating and understanding the Buddhist experience of enlightenment. It is the first in-depth explanation of Chinese Buddhism by Yin-shun, the greatest living master of the Chinese scholar-monk tradition. The master's broad scope not only includes the traditional Chinese experience but also ideas from the Tibetan monastic tradition. This is one of those rare classic books that authentically captures an entire Buddhist tradition between its covers.
