Olivia Jarrod was newly placed in witness protection when she discovered she was pregnant. First rule of the program: no contact with anyone from her former life. That includes her estranged husband, Ford Jensen—the unknowing father of her unborn child. Despite their rocky marriage, Olivia still loves him deeply. And when Ford shocks her by tracking her down, she knows the mobster pursuing her can't be far behind. But now their baby's very life depends on both of them staying alive—and together.
