## **El puerto (Narrativa (alevosia)) (Spanish Edition)** Francesca Brill

Discurre en Hong Kong el verano de 1940, y a la joven norteamericana Stevie Steiber, mordaz cronista de sociedad que anhela ser tomada en serio como escritora, la guerra que asola Europa le parece increíblemente lejana. El comandante Harry Field, encomendado por el Gobierno de Su Majestad para informar sobre las actividades sospechosas en el seno de la colonia, comienza a investigar a la hermosa periodista y se irá sintiendo irremisiblemente fascinado por ella. Mientras la decadente y acomodada colonia británica permanece ajena al cataclismo que se avecina, Harry y Stevie se ven arrastrados a una intensa historia de amor que pronto se verá puesta a prueba por la brutal invasión japonesa de la isla.
