Penniless and jobless, Dr. Della Riordan is really in need of some luck. And unless she can get her life back on track, she could lose custody of her daughter too.

The offer of a house and practice on remote Radcliffe Island seems too good to be true—and when she arrives that certainly seems the case! With gorgeous Dr. Sam Montgomery on hand to help, Della begins to find her feet... and soon she's in danger of losing her heart.

But there is something Della doesn't know about the reason behind Sam's island visits—and the truth could bring about the end of all her dreams.
