*Strike a match, light the candle...and fall into the spell.*

*Heart's Desire, Book 1*

Christopher Beckett is from an ancient line of wizards, but with one aspect that sets him apart. His wolf. Right now that wolf is howling for a mate. Knowing it's only a matter of time before the wolf's needs override everything else in his life, Chris casts the spell all the Becketts have used to call their mates to them.

His wish list is short: She must be of a lineage at least as old as his own. And she must accept his wolf. When his mate appears, he realizes his list should have been one item longer.

Alannah Evans, a powerful witch of the Evans Coven, has no problem with Chris's wolf. It's the wizard part that sticks in her magical craw. Witches and wizards have always been at odds, so by rights, she and Chris shouldn't be striking sparks of attraction this bright. But Chris will not be denied, and gradually she finds herself trusting him—then falling into the fire of desire.

When it becomes clear an old enemy has targeted them both for death, Chris charges into a duel that could cost him his life. Or worse: Lana.

Warning: Product contains explicit sex, graphic language, magic, mayhem, and a wet, naked wolf shifter bearing hot chocolate. Mmm... chocolate.
