## El Decamerón (Spanish Edition) Giovanni Boccaccio

Este ebook presenta El Decamerón , con un sumario dinámico y detallado.

El Decamerón es un libro constituido por cien cuentos, algunos de ellos novelas cortas, terminado por Giovanni Boccaccio en 1353, y donde se desarrollan tres temas principales: el amor, la inteligencia humana, y la fortuna.

Durante la peste que asoló la ciudad de Florencia en 1348, y de la que el autor fue testigo, diez jóvenes - tres hombres y siete mujeres se reúnen en la iglesia de Santa Isabel María Novella y toman la decisión de retirarse a una villa alejada de la ciudad para escapar a la peste. En este lugar, para evitar recordar los horrores que han dejado atrás, los jóvenes se dedican a relatarse cuentos los unos a los otros.

Giovanni Boccaccio (1313 – 1375), fue un escritor y humanista italiano. Es uno de los padres, junto con Dante y Petrarca, de la literatura en italiano. Compuso también varias obras en latín. Es recordado sobre todo como autor del Decamerón. Boccaccio fue autor también de una de las primeras biografías de Dante Alighieri.
