Free Spirits: Spiritualism, Republicanism, and Radicalism in the Civil War Era

Mark A Lause

Free Spirits: Spiritualism, Republicanism, and Radicalism in the Civil War Era Mark A Lause

Often dismissed as a nineteenth-century curiosity, spiritualism influenced the radical social and political movements of its time. Believers filled the ranks of the Free Democrats, agitated for land and monetary reform, fought for abolition, and held egalitarian leanings that found powerful expression in campaigns for gender and racial equality.

In *Free Spirits*, Mark A. Lause considers spiritualism as a political and cultural force in Civil War-era America. Lause reveals the scope, spread, and influence of the movement, both in its links to reformist causes and its ability to amplify previously marginalized voices. Rooting spiritualism's appeal in the crises of the time, Lause considers how spiritualist influences, through the distillation of the war, forced reassessments of the question of Radical Republicanism and radicalism in general. He also delves into unexplored areas such as the movement's role in Lincoln's reelection and the relationship between Native Americans and spiritualists.
