Inteligencia emocional en educación (Spanish Edition)

Rafael Bisquerra Alzina, Juan Carlos Pérez González, Esther García Navarro

Inteligencia emocional en educación (Spanish Edition) Rafael Bisquerra Alzina, Juan Carlos Pérez González, Esther García Navarro

En 1990 se propuso por primera vez en una revista científica una definición y un modelo teórico de inteligencia emocional. Desde entonces, la investigación sobre inteligencia emocional no ha dejado de aumentar cada año, acumulándose así innumerables datos que han permitido responder algunas preguntas y formular o reformular otras.

Esta obra, publicada en conmemoración del vigésimo quinto aniversario de la inteligencia emocional como constructo científico, revisa las implicaciones de la investigación sobre inteligencia emocional para la mejora de la calidad de la educación integral, en general, y de la educación emocional, en particular.

Rafael Bisquerra Alzina es catedrático de Orientación psicopedagógica en el departamento de Métodos de Investigación y Diagnóstico en Educación (MIDE) de la Universitat de Barcelona.

Juan Carlos Pérez González es profesor permanente en el departamento de Métodos de Investigación y Diagnóstico en Educación (MIDE) II de la Universidad Nacional de Educación a Distancia (UNED).

Esther García Navarro es coordinadora del postgrado en Educación Emocional y Bienestar y directora del Máster en Inteligencia Emocional en las Organizaciones (Universitat de Barcelona).
