Spawn #93 Brian Holguin, Todd McFarlane

Spawn is warned by the ghost of Al Simmons to quit interfering in the lives of others. However, Spawn's sense of justice cannot be squelched when he happens upon a group of 13 aristocrats whose boredom has led them to play a deadly game. As part of a coven, they participate in a sacred pact to hunt, kill, and eat each other. The plan was to continue until only one was left and he would have feasted on the souls of the other 12 and therefore have their collective power. He would then be the escort to a terrible beast called a Urizen.
