The Millionaire Map Reveals...

- You can't expand your wallet until you expand your mind.
- Becoming a millionaire is not just about all the things you want to have, but it's about the things you want to do and give.
- In order to climb to the financial peak, you've got to crawl out of the valley of debt.
- You will either voluntarily control your money now, or it will force its control on you later.
- The vast majority of people never arrive at their destination-not because they don't have what it takes but because they don't manage what they have.

Jim Stovall has enjoyed success as an author, athlete, investment broker, and entrepreneur while dealing with the challenge of blindness. During his remarkable life, Jim has been a national champion Olympic weightlifter, as well as the author of 20 books.
