What We Hide Marthe Jocelyn

An engrossing novel-in-stories that paints a tapestry of secrets and lies: why we keep them, why we tell them, and what happens next.

Americans Jenny and her brother, Tom, are off to England: Tom to university, to dodge the Vietnam draft, Jenny to be the new girl at a boarding school, Illington Hall. This is Jenny's chance to finally stand out, so accidentally, on purpose, she tells a lie.

In the small world of Ill Hall, everyone has something to hide. Jenny pretends she has a boyfriend. Robbie and Luke both pretend they don't. Brenda won't tell what happened with the school doctor. Nico wants to keep his mother's memoir a secret. Percy is hush-hush about his famous dad. Oona lies to everyone. Penelope lies only to herself.

Deftly told from multiple points of view in various narrative styles, including letters and movie screenplays, *What We Hide* is provocative, honest, often funny, and always intriguing.

“Poignant and often witty.” —*Kirkus Reviews*

“An evocative representation of the tumultuous '60s.” —*Publishers Weekly*

“Juicy, fast-paced.” —*SLJ*

From the Hardcover edition.
