August Macke, Walter Cohen

August Macke (French Edition) August Macke, Walter Cohen

Auguste Macke (1887-1914) est un maître de l'expressionnisme allemand, un mouvement qui s'est développé au début des années 1900. Les expressionnistes voulaient utiliser l'art pour dépeindre les émotions davantage que les choses matérielles et la réalité, en insistant particulièrement sur les idées noires, la tragédie et l'« Angst », l'angoisse. Macke maîtrisait les formes et les couleurs, produisant des toiles captivantes qui provoquent encore de nos jours un sentiment de sympathie chez le spectateur. Il était aussi à l'aise en dépeignant les rues ensoleillées de Tunisie, que le ciel nuageux autour de la cathédrale de Bonn et la foule sans visage d'une gare pleine de monde. Dans ce texte complet, Walter Cohen se penche sur la courte vie d'un artiste dont le potentiel sans limites a tragiquement été stoppé par sa mort prématurée.
