El golpe en vago (Clásicos Hispánicos nº 30) (Spanish Edition) José García de Villalta

"El golpe en vago" se publicó en 1835 en la prestigiosa colección de novelas históricas españolas originales editada por Manuel Delgado, donde también aparecieron las de Espronceda y Larra. Ambientada en la Andalucía de la década de 1760, la novela narra las aventuras de dos enamorados que sufren la constante persecución de poderosos enemigos, entre los que descuellan los jesuitas (denominados "alquimistas"), porque ambos suponen un obstáculo en su objetivo de propiciar un golpe de estado en el que también participan militares rebeldes, bandoleros y frailes. Cuando todo parece perdido para los amantes, la Pragmática Sanción de Carlos III da al traste con los planes de sus enemigos y se descubre identidad oculta de la joven. La novela, además de explícitamente antijesuítica, es una clara transposición de las circunstancias políticas de la España de 1835 y de la ideología liberal de su autor a la Andalucía dieciochesca, retratada a través de los personajes, escenas y lugares más característicos del costumbrismo romántico de temática andalucista.
