**Arthurian legend mixes with modern-day witchcraft in this haunting romance by the author of *Legacy*, which *Publishers Weekly* said “should please the legions of paranormal fans looking for a sophisticated supernatural thriller.”**

Mischief abounds at the Ainsworth School, and evil is lurking. What's more, Katy has won Peter's heart and is now claiming her place in the magical world. Though half the students at her boarding school come from witching lines, the use of magic is expressly forbidden at Ainsworth, so as to keep the witching world hidden from the blue-blooded preppies, aka Muffies, who also walk the halls.

But the Muffies have at least a notion of magic, because Katy catches them staging a made-up ritual—and then fall seriously ill. When Katy is blamed, she becomes desperate to clear her name and finds herself battling all odds to harness her growing magical powers in order to save the Muffies and dispel the Darkness once more.
