Brewing craft beer is the latest form of manufacturing to take hold in Michigan. This is an industry that is growing, it is providing jobs, and most important from a municipal government's point of view, it is providing a tax base. It is also finding a way to reuse some of Michigan's iconic factory buildings and manufacturing campuses. The entrepreneurs who are brewing craft beer in Michigan face the same challenges as other manufacturers. We will meet those entrepreneurs and join them on their journey in the fifth installment in the Restore The Roar series, Quenching The Thirst.
