**Rachel and the Tough Guy** Jeanne Allan

**Bad, bossy—and all hers!**

Nicholas Bonelli has bad-boy sex appeal written all over him. Not that in his battered condition—broken arm, shattered leg—he was looking for female company.

What right-minded woman would actually take this surly, ill-tempered man on? Only Rachel Stuart, it seemed, who had been hired by his exasperated family as a "baby-sitter" to look out for him.

It was all too easy for Rachel to feel sympathy for this obstinate though, at times, endearingly vulnerable man. Until, that was, she remembered *who* he was and just *why* she had taken the job to get close to him!
