**See Jane Hit: Why Girls Are Growing More Violent and What We Can Do About It** James Garbarino  
From one of America's leading authorities on juvenile violence comes a groundbreaking investigation of the explosion of violent behavior in girls

With *Lost Boys*, James Garbarino became our foremost explicator of violent behavior in boys. Now he turns his attention to its increasing incidence in girls. Twenty-five years ago, ten boys were arrested for assault for every one girl. Now that ratio is four-to-one and dropping. Combining clinical experience with incisive analyses of social trends, Garbarino traces the factors—many of them essentially positive—behind the epidemic: girls' increased participation in sports and greater comfort with their physicality, but also their lack of training in handling aggression. *See Jane Hit* goes beyond diagnosing the problem to outline a clear-eyed, compassionate solution.
