Walk the line between magic and madness in Erin M. Evan's passionate story about the dragons of the City of Splendors...

Tennora would give anything to be a wizard. And Clytemorrenestrix, a strange woman with uncanny blue eyes, whose name means "She Will Thunder in the Sky," and who claims to be a dragon, promises to make her just that—in return for aid in returning her to her true form. But soon after Tennora seals the deal, a bounty hunter presses a note into her hands claiming the dragon woman is actually a human—a violent, criminally insane human who murders those who fail her.

The God Catcher is gripping tale of identity, intrigue, and obsession set in the classic City of Splendors and presented by **Forgotten Realms®** campaign setting creator and celebrated author Ed Greenwood. You don't want to miss out on this exciting glimpse into what the latest edition of the Realms has to offer.
