**A fresh, exciting, funny, fabulous take on New Adult Paranormal about an enterprising matchmaker...and her paranormal clientele.**

She started out as just an ordinary university student, but the sudden and unexpected inheritance of an unused warehouse on the industrial side of town throws Shalini's life plan askew.

Drawing from her strengths, she decides to set up a matchmaking business, helping the lonely to find a soulmate. But something unusual happens, something unexpected—her first client doesn't fit the regular profile. Victor is dark, handsome, emotionally available...and a vampire.

Suddenly Shalini's already disrupted world becomes a place where rules no longer apply. She must learn to adapt to her new occupation of finding The One for a prospective clientele of vampires, shape-shifters, and other beings more likely to bite first and ask questions later. And there are those out there who are less than happy with her entrepreneurial spirit.

But just as Shalini begins to think she can cope with anything, she discovers that she has bitten off more than she can chew, and played with powerful forces that have the potential to not only destroy the Lost Souls Dating Agency—but Shalini herself.
