As Don Draper famously said, “Nostalgia: a twinge in your heart far more powerful than memory alone.” Nostalgia, of course, also calls to one’s appetite. Thanks in part to the popular series *Mad Men*, fans are discovering the classic cuisine of the 1960’s; whether to revisit the favorite recipes of their childhoods or to celebrate the comforting, sometimes kitschy, always-satisfying dishes of the era, including:

- Waldorf Salad
- Sweet and Sour Meatballs
- Beef Stroganoff
- Steakhouse Creamed Spinach
- Buttermilk Dinner Rolls
- Cherries Jubilee
- Daiquiri Lime and Gelatin Mold
- Classic cocktails such as Blue Hawaiians, Brandy Alexanders, and Manhattans
- And many more!

Each recipe is adapted for the modern palate, with less fat and healthier ingredients than in the originals (no more bacon fat as a kitchen staple!). Full-color photographs showcase the food, proving that retro cuisine can be sophisticated and delicious. *The Sensational Sixties Cookbook* will also provide tips on hosting the ultimate sixties soiree, complete with menus, music playlists, and table decorations. So grab a swizzle stick, put Bobby Darin on the turntable, and get cooking—sixties style!
