Three Approaches To Abortion Peter Kreeft

Three Approaches to Abortion will help you persuade others—including “pro-choice Catholics” that abortion is an evil society cannot permit or tolerate.

Abortion has been and remains a crucial issue in American politics. Unfortunately, many Americans don’t see abortion for the evil it is—the unjust killing of millions of human beings each year. Even many Catholics have been confused by the “pro-choice” (read: pro-abortion) rhetoric of those who say that they personally accept Catholic teaching about abortion, but they can’t impose it on others.

You’ve heard argument after argument about this topic. Maybe you think there is nothing more to say.

Well, there is.

Three Approaches to Abortion, by popular author Peter Kreeft, cuts through the nonsense of the “pro-choice” position. He shows in an irrefutable way why abortion is evil and why it’s illogical to support abortion rights while claiming to be “personally opposed to abortion.” Kreeft’s commonsense approach to the issue, his lucid arguments, easy-to-grasp illustrations and examples, and his thoughtful dialogue between a pro-lifer and a “pro-choicer” make this book an invaluable tool in the pro-life cause.
