When you can't sleep, there's a friend for you in the night sky

For a little puppy who can't fall asleep, a darkened bedroom can be a lonely place. As his family prepares for bed, he lies awake and is frightened. It is very dark . . . but he is not alone.

Outside his window, the moon rises in the sky. The moon promises to stay awake and keep him safe. There's nothing to fear at night when the moon is keeping watch. And in the morning, it's the puppy's turn to keep watch for the sleeping moon.

This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration.
