Great Groups: Creating and Leading Effective Groups

David R. Hutchinson

Great Groups: Creating and Leading Effective Groups David R. Hutchinson

Great Groups is a practical and inspirational guide that serves as a foundational text to creating and leading groups. Designed primarily for the beginning group worker from any of the helping professions, the book also acts as a valuable resource for those with more group experience. Grounded in theory, but with a strong focus on practice and skill development, David R. Hutchinson strives to connect directly with the reader with his personal and engaging writing style and "learn by doing" approach. Following a hypothetical group from start to finish, with a plethora of examples and reflection exercises in each chapter, the book has a threefold purpose:

- to provide the reader with specific tools for creating, understanding, and leading effective groups;
- to help the reader consider the application of theory to practice; and
- to spur the reader to seriously consider making group work a cornerstone of his or her professional practice.

Anita Jones:

Is it a person who having spare time in that case spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This Great Groups: Creating and Leading Effective Groups can be the solution, oh how comes? A book you know. You are consequently out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?

Frank Wimmer:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Great Groups: Creating and Leading Effective Groups can make you feel more interested to read.
