Claudio Fuentes, Alfredo Joignant

La solución constitucional. Plebiscitos, asambleas, congresos, sorteos y mecanismos híbridos (Spanish Edition) Claudio Fuentes, Alfredo Joignant

Los más lúcidos cientistas políticos y especialistas en Derecho —Atria, Salazar, Garretón, Bellolio, entre otros— reflexionan sobre la necesidad de la reforma a la Constitución y sus posibles salidas prácticas. Un libro transversal destinado a ser un elemento más contundente de un debate obligado y contingente sobre el Chile futuro. “La coyuntura actual ofrece una oportunidad histórica para reflexionar sobre el tipo de sociedad en que queremos vivir: cómo distribuir poder, quiénes deben participar de aquella definición, en qué plazos lograrlo y con cuál mandato. Este volumen congrega a un amplio espectro de autores y autoras provenientes de diversas disciplinas, y de disímiles orígenes políticos, sociales e ideológicos. Les hicimos una pregunta simple: qué mecanismo se imaginan para resolver el problema constitucional en Chile. En estas páginas se encuentran novedosas propuestas para encarar el desafío de construir una nueva Constitución. Mientras algunos sostienen que el problema no es constitucional, otros apuestan por innovaciones institucionales de alta envergadura. El lector encontrará variadas “familias” de soluciones pero que en su conjunto nos abren propuestas muy concretas sobre cómo encarar el desafío quizás más relevante y crucial que enfrenta hoy el país: cómo establecer un nuevo arreglo político-social que garantice representación, participación plural y transparencia.” Claudio Fuentes y Alfredo Joignant
