Modern Moral Problems

Msgr. William Smith

Modern Moral Problems Msgr. William Smith

Modern Moral Problems addresses moral quandaries that can beguile and confuse faithful Catholics. Written in a question-and-answer format, the book covers questions regarding sexuality, medical ethics, business practices, civic responsibilities, and the sacramental life of the Church. The extraordinary assortment of issues-forming a single, organized collection-is a valuable reference for anyone seeking clear and concise answers to tough moral questions.

Written in a conversational tone often spliced with humor, this work by a highly respected moral theologian will be read with fascination for its clarity of argument and fundamental good sense. Originally published as a monthly question-and-answer column in a magazine for priests, these selections by Msgr. William B. Smith retain a striking current topicality. Msgr. Smith often tackled matters of controversy in the Catholic Church, ones which continue to draw conflicting opinions.

Interesting, informative, and eminently practical, this book conveys an overall impression that sound thinking about morality is rooted in a tradition within the Catholic Church, even when the answers to particular moral questions cannot be found in catechisms or Vatican documents. Msgr. Smith offers a clear-headed approach to the quandaries of our time precisely because of his training in traditional moral principles and his fidelity to the Catholic magisterium.

This book should be in the possession of all seminarians and priests, who are bound to confront moral matters that are not so easily decided at first glance. But lay people, too, will find here rich responses to the challenging and sometimes unresolved moral questions they encounter in their own lives.
