**In the first Georgia Peach Mystery, when murder threatens her family's orchard, Nola Harper is ready to pick out the killer and preserve the farm's reputation...**

To help run the family peach farm during her parents' absence, Nola Harper returns to her childhood home of Cays Mill, Georgia, and soon discovers that things back at the farm aren't exactly peachy. A poor harvest and rising costs are threatening to ruin the Harpers' livelihood, and small-town gossip is spreading like blight thanks to Nola's juicy reputation as a wild teenager way back when. But Nola really finds herself in the pits when she stumbles upon a local businessman murdered among the peach trees.

With suspicions and family tensions heating up faster than a cobbler in the oven, this sweet Georgia peach will have to prune through a list of murder suspects—before she too becomes ripe for the killer's picking...
