Victory at Stalingrad: The Battle That Changed History Geoffrey Roberts

Victory at Stalingrad tells the gripping strategic and military story of that battle. The hard-won Soviet victory prevented Hitler from waging the Second World War for another ten years and set the Germans on the road to defeat. The Soviet victory also prevented the Nazis from completing the Final Solution, the wholesale destruction of European Jewry, which began with Hitler's "War of Annihilation" against the Soviets on the Eastern Front.

Geoffrey Roberts places the conflict in the context of the clash between two mighty powers: their world views and their leaders. He presents a great human drama, highlighting the contribution made by political and military leaders on both sides. He shows that the real story of the battle was the Soviets' failure to achieve their greatest ambition: to deliver an immediate, war-winning knockout blow to the Germans.

This provocative reassessment presents new evidence and challenges the myths and legends that surround both the battle and the key personalities who led and planned it.

From reader reviews:

Victor Hubbard:

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each guide has different aim or perhaps goal; it means that publication has different type. Some people feel enjoy to spend their the perfect time to read a book. They are really reading whatever they get because their hobby is usually reading a book. How about the person who don't like examining a book? Sometime, particular person feel need book once they found difficult problem or exercise. Well, probably you will need this Victory at Stalingrad: The Battle That Changed History.

Michael Kenney:

Reading a e-book tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only situation that share in the guides. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Victory at Stalingrad: The Battle That Changed History.

Concepcion Shaw:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Victory at Stalingrad: The Battle That Changed History can make you experience more interested to read.

Stephen Redmond:
