Ahead Of The Curve Daniel Fusco

American Christians are obsessed with postmodernism. Books on the topic proliferate as Christians struggle to find their place and make a stand within the postmodern movement. There is a problem however. Postmodernist philosophy is on its way out. A new worldview is already taking root. Philosophers and pundits call the emerging worldview the Integral worldview. In this timely book, Fusco explores the new Integral worldview and what the church must do to stay Ahead of the Curve and be effective in the coming decades. 'Daniel Fusco writes a first-person report of what the future will be like for the American church as it engages an ever-changing cultural milieu. The insights in this book will help you prepare for future ministry in cultural settings more and more removed from any Christian context.' Dr. Jeff Iorg President, Golden Gate Baptist Theological Seminary 'Daniel Fusco is an intellectual with both theological and philosophical underpinnings that enable him to address the future wisely while being courteous towards the past. Furthermore, he is a practitioner who lives genuinely among the people of one of America's most post-postmodern contexts. Daniel personally embodies the integrity and the integration he writes about, and for which this nascent world longs.' Linda Bergquist, Author, Church Turned Inside Out: A Guide for Designers, Refiners and Re-Aligners
