François Mauriac

God and Mammon and What Was Lost François Mauriac

François Mauriac, winner of the 1952 Nobel Prize in literature, is one of the most prominent Catholic novelists of the modern era, yet in the English speaking world he is known primarily for only one novel, 1927's *Thérèse Desqueyroux*. In this new translation of two other seminal works by Mauriac, the 1930 novel *What Was Lost* and its theoretical basis, the 1929 essay *God and Mammon*, Raymond N. MacKenzie re-introduces Mauriac to the English speaking world. Featuring a scholarly introduction by MacKenzie that provides background on Mauriac's religious and artistic struggles, this new edition will delight scholars of Mauriac as well as contemporary readers previously unfamiliar with his work.
