Learning about shapes has never been so much fun!

This new book features 100 activities all about shapes! Teachers and children alike will enjoy exploring the concept of shapes with activities such as *Have You Seen My Square*, *The Circle in the Square*, and *Erase a Shape*. The result of a nationwide contest, these activities are organized by curriculum area and offer fresh ideas that provide hours of engaging activities. Complete with learning objectives, related children's books, and an assessment component, teachers will find everything they need to teach children ages 3-6 all about shapes. ***Learn Every Day About Shapes* is sure to become a classroom favorite!**

Each activity features:

- Learning objectives
- Related vocabulary
- Related children's books
- Materials needed
- Directions for preparation
- Instructions for each activity
- An assessment component

Many activities also feature teacher-to-teacher tips that provide additional ideas for expanding the activity in new ways, or suggestions about finding materials. You will also find related fingerplays, poems, or songs to extend children's learning.

This book, like each of the other books in the *Learn Every Day* series, give teachers 100 classroom-tested activities that make learning fun and engaging for young children!
