Dice Maddox was once a great private investigator. As fate would have it, her partner died in a car accident. Dice ended up in a dead-end job with a cheating fiancé. She has had enough and would like to reclaim her old life or a piece of her old life. The problem is going back to work as a private investigator; she is facing many unforeseeable challenges. She wonders if she can do this kind of work again. Then Ryan Winters walks into her office; she isn't sure if he is crazy or sane, but he needs her help. After a recent car accident, he finds himself married to a gorgeous woman he has never met before. She's hiding something. The closer Dice looks into the case, the more she finds herself wondering whether the woman is a demon or an alien. What has she gotten herself into?
