## Remebering Harper Lee Patrick Roy

elle Harper Lee (April 28, 1926 – February 19, 2016) was an American novelist widely known for *To Kill a Mockingbird*, published in 1960. Immediately successful, it won the 1961 Pulitzer Prize and has become a classic of modern American literature.

Though Lee had only published this single book, in 2007 she was awarded the Presidential Medal of Freedom for her contribution to literature. Additionally, Lee received numerous honorary degrees, though she declined to speak on those occasions. She was also known for assisting her close friend Truman Capote in his research for the book *In Cold Blood* (1966). Capote was the basis for the character Dill in *To Kill a Mockingbird*.

Here's a roundup of the author's (rare) statements in life, and on the page.
