What not to do with your ex...

Maddie Shaw has spent the past ten years not thinking about her fast-and-furious fling with Cale Grant. His dark blue eyes, his hot-chocolate voice, his magic touch... No, she doesn't remember anything like that. Only the numbing devastation when he let her down and she walked away.

Now Cale's sauntered back into Maddie's life—drinking in the same bars, working on the same projects and setting off the same fireworks inside her. It's Maddie's chance to prove just how over her ex she really is...but one steamy kiss later she's fallen at the first hurdle...!
