*Tom Clancy, Peter Telep*

**Contra todo enemigo (Spanish Edition)** Tom Clancy, Peter Telep

**El autor de best sellers #1 del *New York Times* y de la exitosa novela *Vivo o muerto* “es el rey supremo del popular género de suspenso”. \* Ahora, en una historia que va desde los remotos paisajes del Medio Oriente marcados por la guerra hasta el caos sangriento en la frontera de los Estado Unidos con México, Tom Clancy ofrece una novela alucinante que es alarmantemente parecida a la realidad.**

El ex-SEAL de la Armada Maxwell Moore—quien trabaja encubierto para la División de Actividades Especiales de la CIA—llega a una cita para hacerse cargo de un prisionero talibán de alto rango. Pero la reunión de un giro terrible que ni Moore ni ninguno de sus jefes veía venir. Sin dejarse intimidar, no teniendo el fracaso como opción, Moore continúa su búsqueda de la verdad, dejando muchos muertos a su paso...asesinados por aquellos para quienes el secreto es la mayor de las armas.

Luego llega una revelación impactante: Dos de las mayores amenazas para la seguridad de los Estados Unidos han forjado una alianza nefasta. Después de años de planificación, los talibanes han llegado a un acuerdo con un despiadado cartel de drogas mexicano por el que suministrarán opio. Para el cartel, es una cuestión de dinero, poder y control absoluto del tráfico de drogas. Pero para los talibanes es una oportunidad largamente esperada: explotar los carteles a llevar el fuego de la yihad al corazón de los infieles.
