## **Managing Private Wealth: Principles** Shawn C. H. Leamon

*Managing Private Wealth: Principles* is a must-read book, best suited for ultra-high net worth families and their advisors.

Little has been written that makes managing family wealth comprehensible to the average family member. This invaluable book condenses the proven, time-tested principles for effectively and successfully managing family wealth. It distills managing private wealth to its most essential elements, merging direct experience with families of substantial networth with the ideas of the smartest financial thinkers in history.

Not only do you learn *what* to do, but you also learn *why* consistently applying the successful principles of managing private wealth helps you achieve your goals. This easy-to-read book, written without assuming prior knowledge of any technical jargon, explains eventhe most arcane terms in a way that all family members can understand.

The author, Shawn C. H. Leamon, is well qualified to write it. He is the Managing Partner of LaGrande Global, a firm that serves as the trusted Chief Investment Officer for Ultra High Net Worth individuals and families experiencing complex changes in their financial liquidity, such as inheritance, divorce, and selling a business.
