**The Moon Seems Upside Down: Letters of love and war** Jim Mitchell

*The war letters of Arthur Alan Mitchell 1939-45.*

At the outbreak of the Second World War, Alan Mitchell was a foreman at McPherson's bolt factory in Richmond. Eileen Griffin was a typist at the State Rivers and Water Supply Commission. They had just met. He was 23 and she was 19.

In 1940, he joined the 2/2nd Pioneer Battalion, trained at Puckapunyal, fought the French in Syria and the Japanese in Java, and then suffered as a prisoner of the Japanese on the Burma Railroad. Alan survived the war and came home. He and Eileen married and the rest is history.

*The Moon Seems Upside Down* is Alan and Eileen's story. It is a story of love and war told through the letters of Alan to Eileen. The letters are tender and funny, detailed and well-observed. They provide a unique insight into what the Second World War was like for Australian soldiers, and those who waited for them back home.
