Judith Bendheim Guedalia

A Neuropsychologist's Journal: Interventions and "Judi-isms" Judith Bendheim Guedalia

Drawing on case studies from the areas of neuropsychology as well as developmental, rehabilitation, and medical psychology, this book distills nearly 40 years of Dr. Judith Guedalia's interventional styles—christened “Judi-isms” by the author—and highlights the intersection between psychology and Judaism. These interventional styles, as well as the remarkable case studies, are complemented by useful advice that readers at all levels of interest can incorporate into their own lives.
