I don't take women to bed.

I take them against the wall, hard and fast, and when I come I make sure they remember.

They always do.

I'm cocky as hell, but sh*t, I've got reason to be. I own Spades Royale, the sexiest casino in Vegas. F*ck, the sexiest casino in the country.

I'm gonna keep building my empire all on my own - my ties with the mafia are in my past, buried with the bones of my family.

I like my money clean and my women dirty.

That is until I met Emmy Rose.

She says she doesn't want a bad boy.

I guess I'll have to change her pretty little mind.

EMMY ROSE

F*ck. My. Life.

I made one rule when I moved to Vegas two months ago - I would not screw bad boys. Or asshats. Or really anyone I met on the casino floor. And the thing is, I've made good on my promise.

I'm here for one reason, and one reason only: it's a f*cking job.

Landing in Vegas was never my plan. But plans change when your sister is in a coma and you don't know who put her there.

If only she'd wake up and I could get some answers.

Until then, I'll do everything in my power to avoid men who have a past as shady as my own.

***Previously published as a five-part serial: ACE. This contains all five parts plus KING 1.

***This book contains a helluva lot of chemistry and smokin' hot sex. Just be prepared, babycakes. And don't say I didn't warn you. xo, frankie
