Neimhaim (Spanish Edition) Aranzazu Serrano Lorenzo

Toda la fuerza de los mitos vikingos y el misticismo de la cultura celta se unen en *Neimhaim*, una aventura nórdica cargada de batallas, intrigas y romance; una obra de fantasía épica que despliega un mundo propio dotado de gran riqueza descriptiva.

Lo que ahora os contaré es tan cierto como que el fuego quema y el hielo, también.

Sabed, amigos míos, que dos pueblos, dos grandes clanes, habitaban una tierra apartada del resto del mundo. Se creían tan diferentes como la noche lo es del día, y en verdad, os lo aseguro, lo eran.

Amante del coraje y de las armas era el clan Kranyal; guerreros de bravo corazón y maestría en el arte de la lucha. Protectores de la vida y la serenidad eran los Djendel, pacíficos sacerdotes bendecidos con habilidades que iban más allá de lo natural, cuyo uso restringían con estrictos códigos.

Sus historias discurrían por separado, pero un día la frágil armonía quedó alterada y el entramado del destino cambió para siempre. Ambos pueblos salvaron sus recelos y unieron sus caminos por la fuerza de la necesidad. Juntos fundaron un joven reino llamado Neimhaim. Largo y quebradizo sería el camino de su unión; para allanarlo, sus líderes pactaron ceder el mando a sus hijos primogénitos, quienes regirían Neimhaim como esposa y esposo. No podían imaginar que, lejos de allí, un dios desterrado urdía pacientemente un plan para hacer de esos niños un instrumento de venganza contra sus iguales.

Así comienza la historia de los Hijos de la Nieve y la Tormenta.

Así se me contó un día, hace mucho tiempo.

La opinión de Elia Barceló sobre *Neimhaim*:

«Un *tour de force*. Una novela de gran aliento épico, creíble, original, compleja, que demuestra que la buena fantasía no tiene por qué ser anglosajona. Un auténtico placer de lectura. Es como ver una película en pantallagrande.»
