**Paving Over the Past: A History And Guide To Civil War Battlefield Preservation** Georgie Boge Geraghty, Margie Boge

In this exhaustively researched book, Georgie Boge and Margie Boge analyze the issues and controversies surrounding the preservation of Civil War battlefield sites, and offer a pragmatic development program designed to accommodate the needs of both historic preservation and economic growth. Not only do they provide a framework for developing actual preservation strategies, they show how important historical, cultural, and natural resources can be preserved with economic benefit to the community. After exploring the special importance of battlefield sites to the nation, the Boges discuss existing policies for preservation. Through extensive case studies, they demonstrate the inadequacies of current mechanisms, and present a detailed policy program that could effectively protect the remaining land, and also help save other historically or culturally significant sites.
