Primary School Management: Learning from Experience: Case Studies by Primary and Middle School Headteachers Eric Briault, Neville West

This lively book is based on case studies written by heads from a variety of settings, each of them facing different problems and concerns. The issues raised are examined in-depth, including:

- * improving the quality of pupils' learning experience
- * effective staff organisation and development
- * development of policy and the management of resources
- * establishing good relationships between the head, the school and the community
