## **Vertigine (Italian Edition)** Marco Baggi

Novembre 1917, fiume Piave. Il tenente Martini è sopravvissuto alla ritirata di Caporetto, ma non alle atroci sofferenze che essa ha lasciato nel suo animo. Disgustato dalla guerra, è disposto perfino a tramutarsi in un traditore e rinnegare così il giuramento di ufficiale, pur di tornare a casa e riabbracciare i propri cari. Con un'Italia apparentemente allo sbando, pronta a cadere sotto i colpi di maglio dell'offensiva austro-tedesca, capirà ben presto che non può fuggire di fronte alla guerra, se vorrà sconfiggerla ancora una volta e salvare la sua bella Venezia. Inviso da superiori capaci soltanto di mandare al macello i loro uomini, una volta al fronte sarà costretto a guidare un'intera compagnia di soldati in una missione pressoché impossibile, nel tentativo di fermare il folle piano di un disertore italiano. Il giovane, straziato da terribili rimorsi e speranze spezzate, guiderà quegli uomini con il disperato coraggio di chi non ha più nulla da perdere, deciso a rincorrere la propria fine. O forse l'inizio di una nuova esistenza.

### **From reader reviews:**

#### **Emily Carey:**

Typically the book Vertigine (Italian Edition) will bring one to the new experience of reading some sort of book. The author style to describe the idea is very unique. Should you try to find new book to learn, this book very acceptable to you. The book Vertigine (Italian Edition) is much recommended to you you just read. You can also get the e-book through the official web site, so you can more readily to read the book.

#### **Larry Witcher:**

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information that may give you benefit in your life. Together with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only the story that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Vertigine (Italian Edition).

#### **Victor Havens:**

Precisely why? Because this Vertigine (Italian Edition) is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who have write the book in such incredible way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book get such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

#### **Lisa Gregory:**

This Vertigine (Italian Edition) is great e-book for you because the content that is certainly full of information for you who always deal with world and still have to make decision every minute. That book reveal it details accurately using great manage word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having Vertigine (Italian Edition) in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no publication that offer you world inside ten or fifteen tiny right but this reserve already do that. So , this is good reading book. Heya Mr. and Mrs. busy do you still doubt that?
