*Calles Alfredo Elías*

**Yo fui Plutarco Elías Calles (Spanish Edition)** Calles Alfredo Elías  
**De Alfredo Elías Calles, autor de *Playa del Carmen*.**

**Un retrato escrito por el nieto del protagonista, un fresco histórico que recrea el nacimiento del México moderno.**

En esta novela, **Plutarco Elías Calles**, uno de los personajes claves de nuestra historia, nos cuenta en propia voz, y desde el más allá, el arduo camino que lo llevó a ser considerado #El Jefe Máximo de la Revolución# y convertirse en el principal protagonista político en el país.

Basada en una investigación detallada y una documentación precisa y comprobable, la novela presenta una versión distinta y jamás contada de sucesos históricos, en la que se dan cita las figuras más relevantes de la primera mitad del siglo XX, como Francisco I. Madero, Álvaro Obregón, Francisco Villa, Emiliano Zapata, Lázaro Cárdenas y Adolfo de la Huerta, entre otros.

La narración abarca desde los últimos años del Porfiriato hasta las batallas de la Revolución y, posteriormente, la época en que la sociedad vuelve a la estabilidad y crea las instituciones que se mantienen hasta el presente. Durante ese lapso, nos enteramos de los pormenores de la vida de Plutarco Elías Calles: su infancia como huérfano, su participación en los ejércitos revolucionarios, su papel como presidente del país, la guerra con los cristeros y su vida como exiliado por conflictos políticos.

En medio de las difíciles circunstancias que afrontó, muestra su dimensión más humana y personal: sus amores, sus pasiones y anhelos, además del entrañable vínculo con una bruja de la tribu de los yaquis, quien le explica lo que los astros presagian para su futuro.
